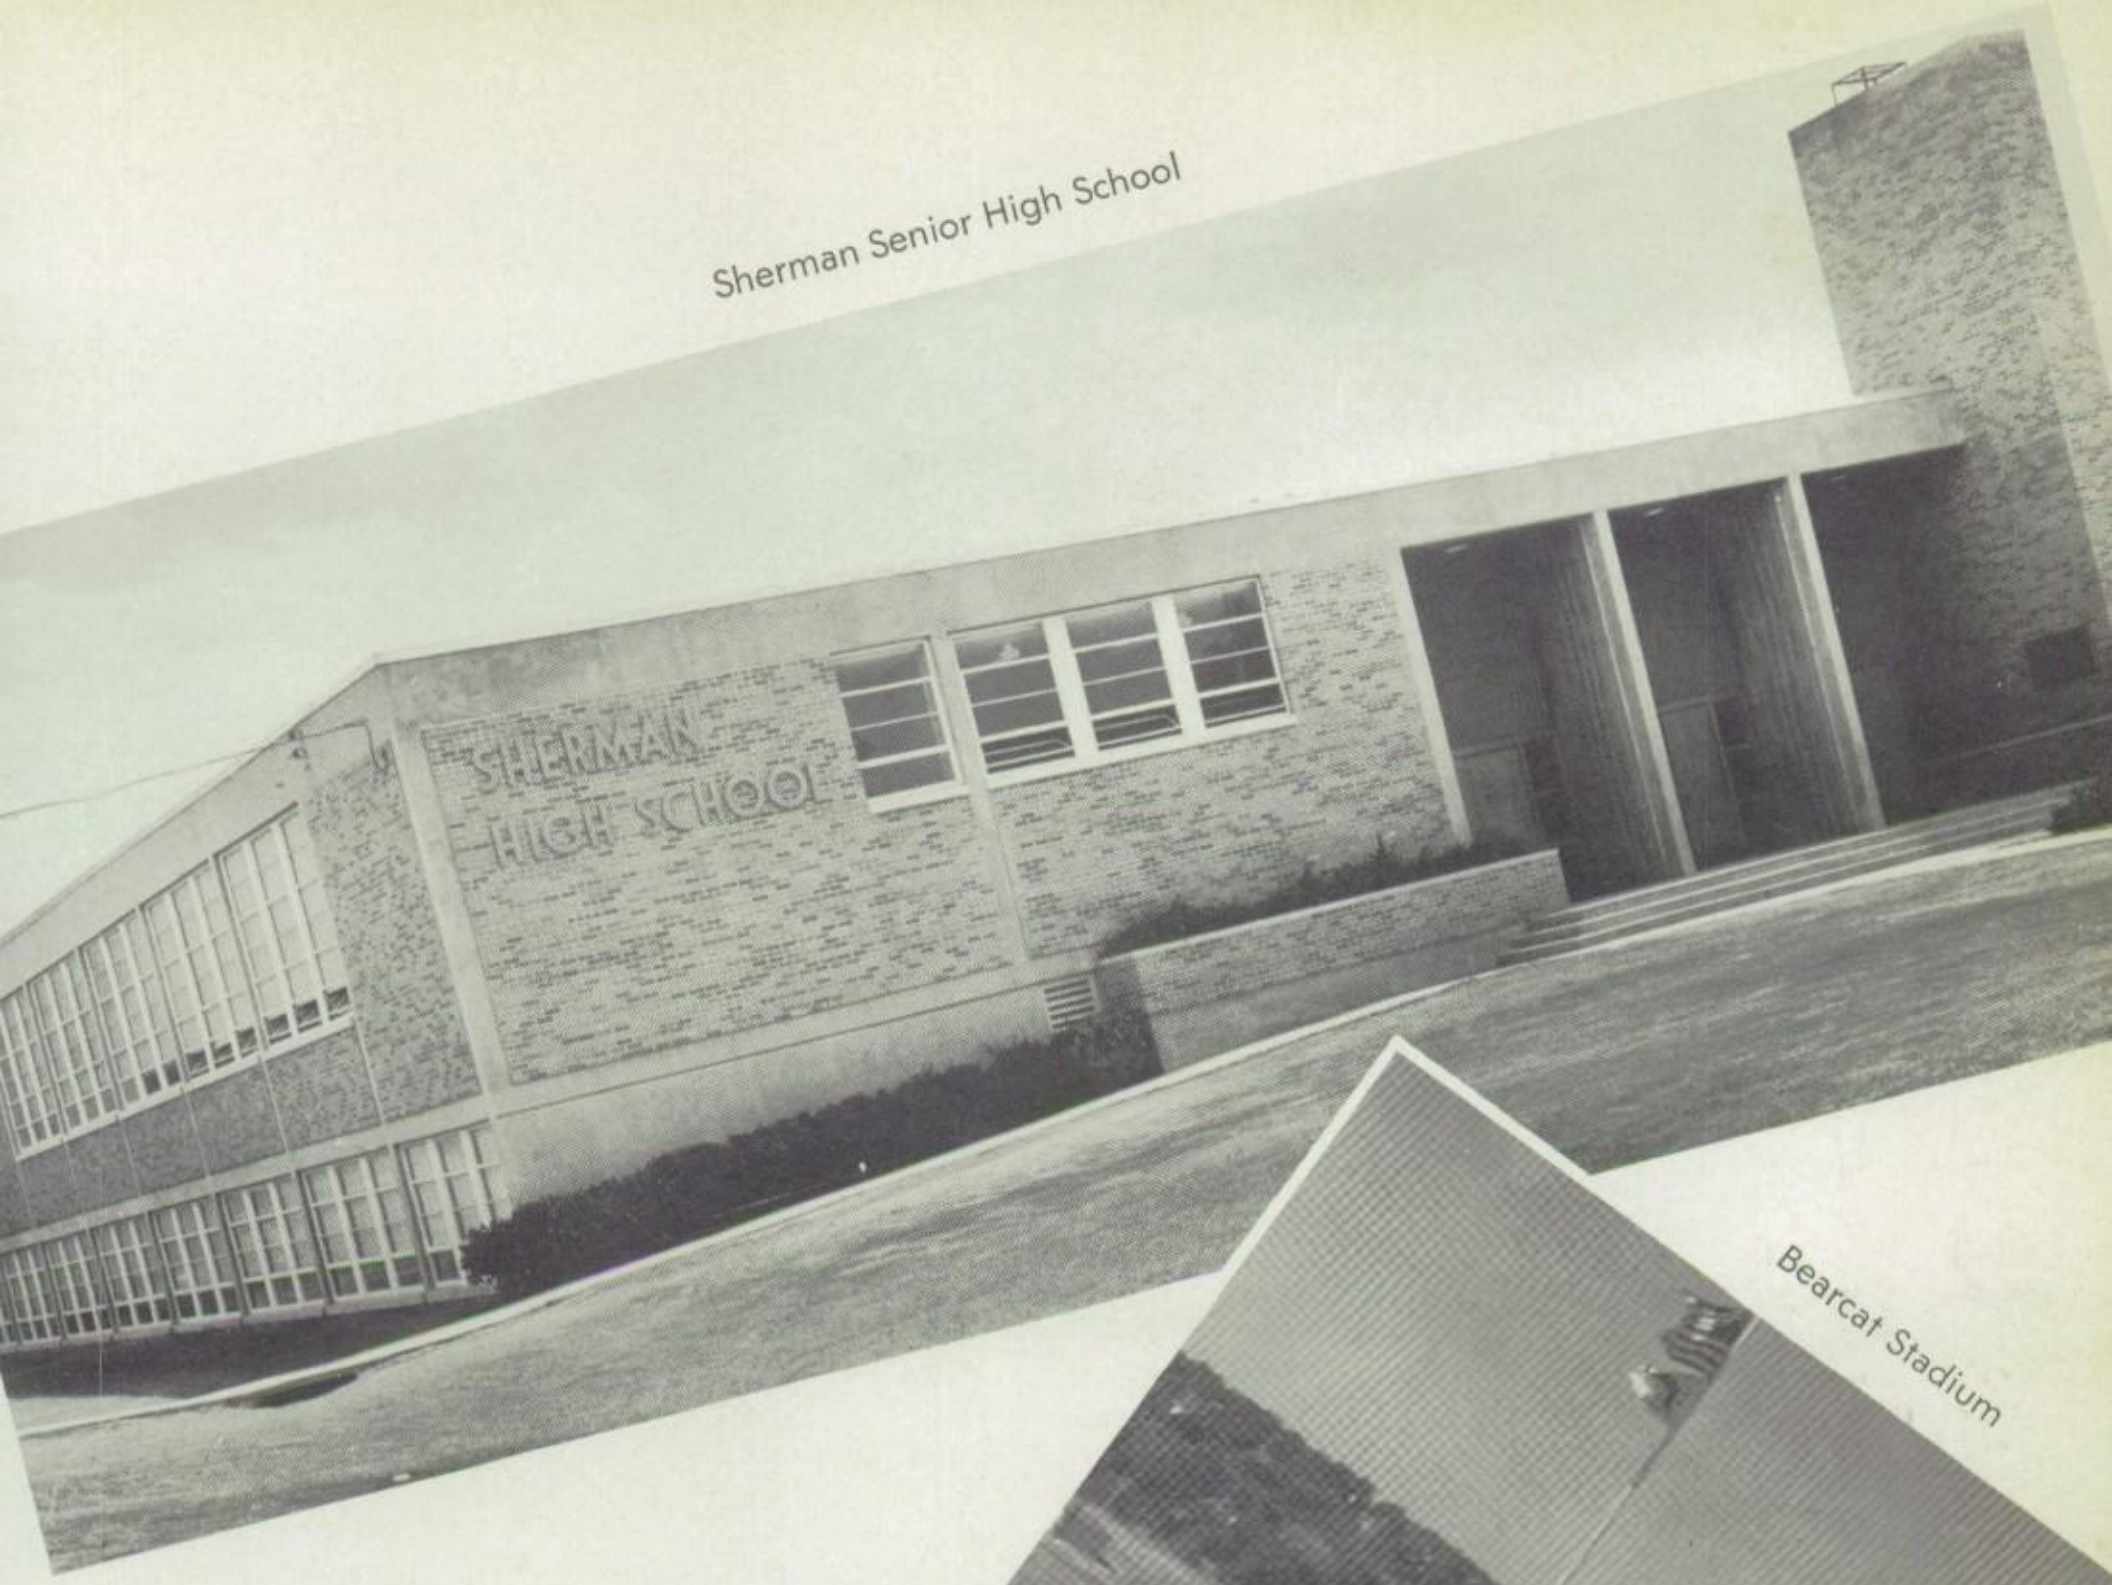
THE
ATHENIAN
OF
1957

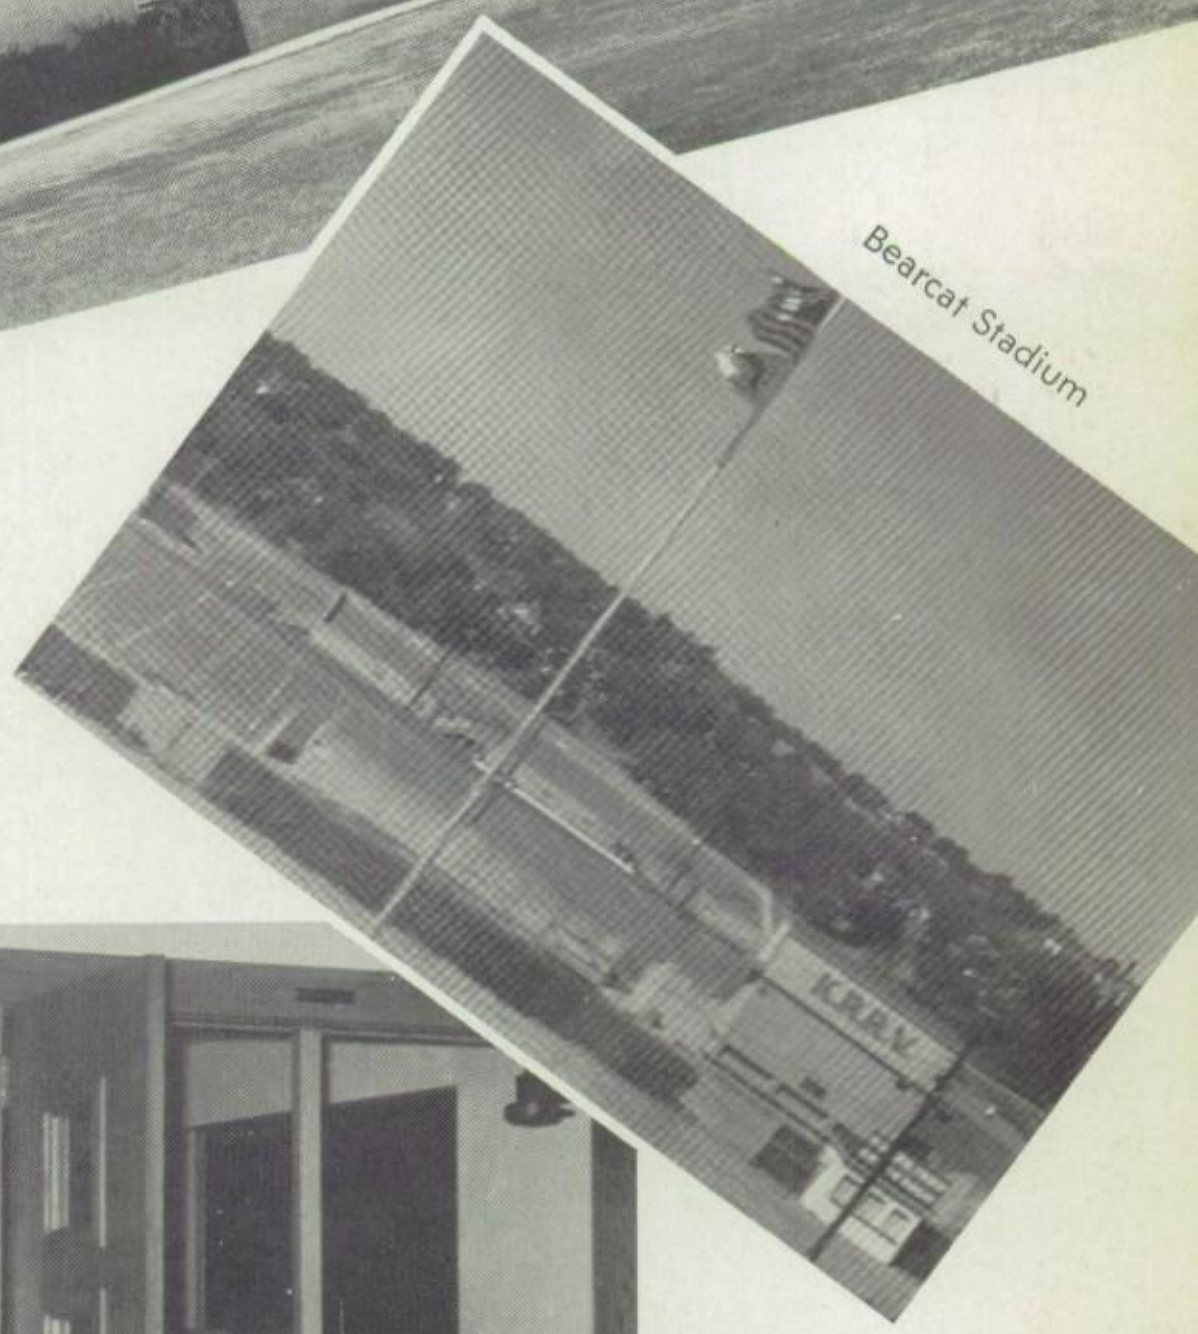
FOREWORD

We have chosen airplanes as our theme for the 1957 ATHENIAN. We believe that with the wing swept beauty of the airplane of today is displayed the forward look of tomorrow. As we all move forward let us also look forward with an open mind to the great and unknown future which lies ahead.

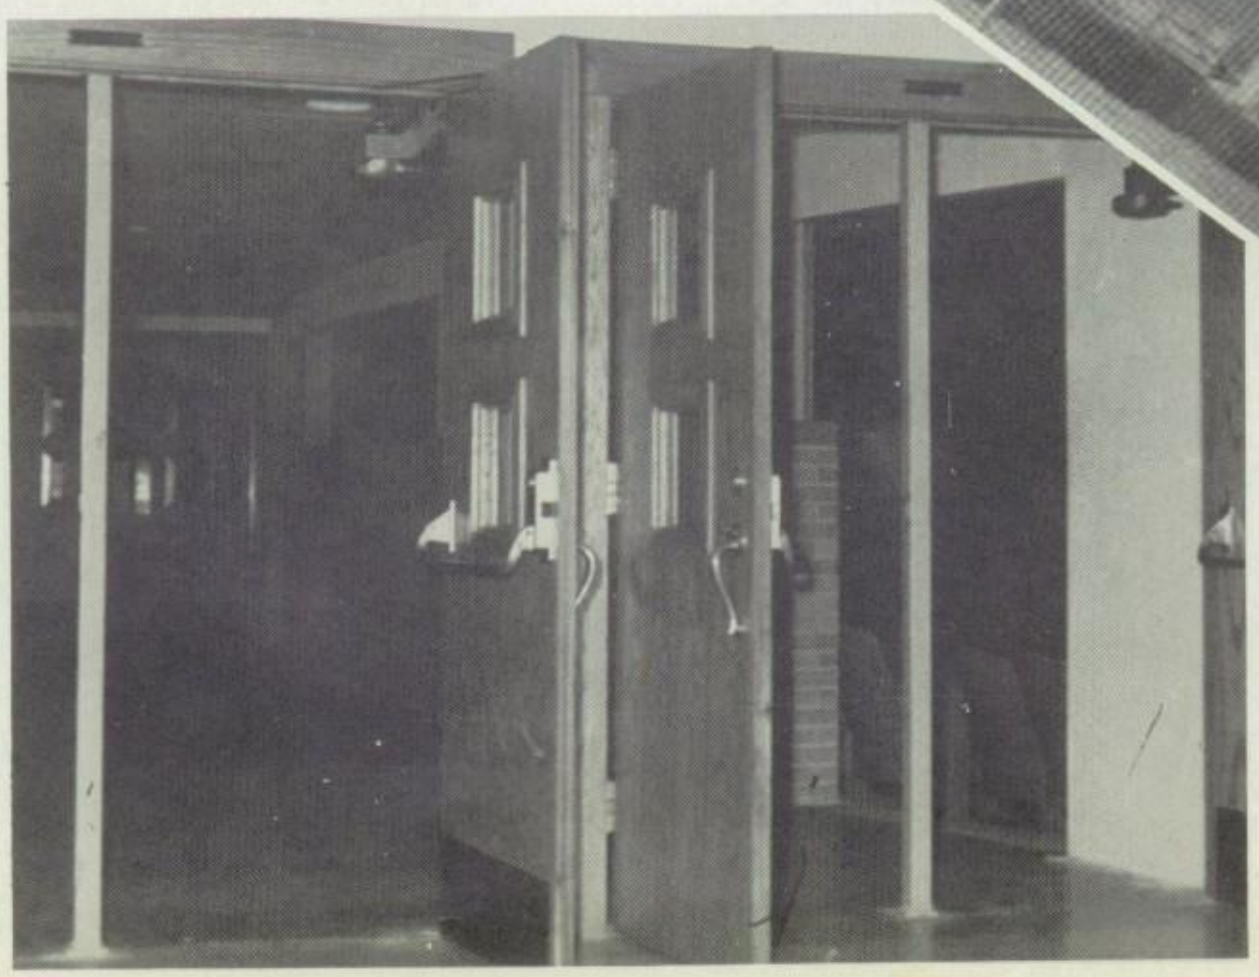
Sherman Senior High School

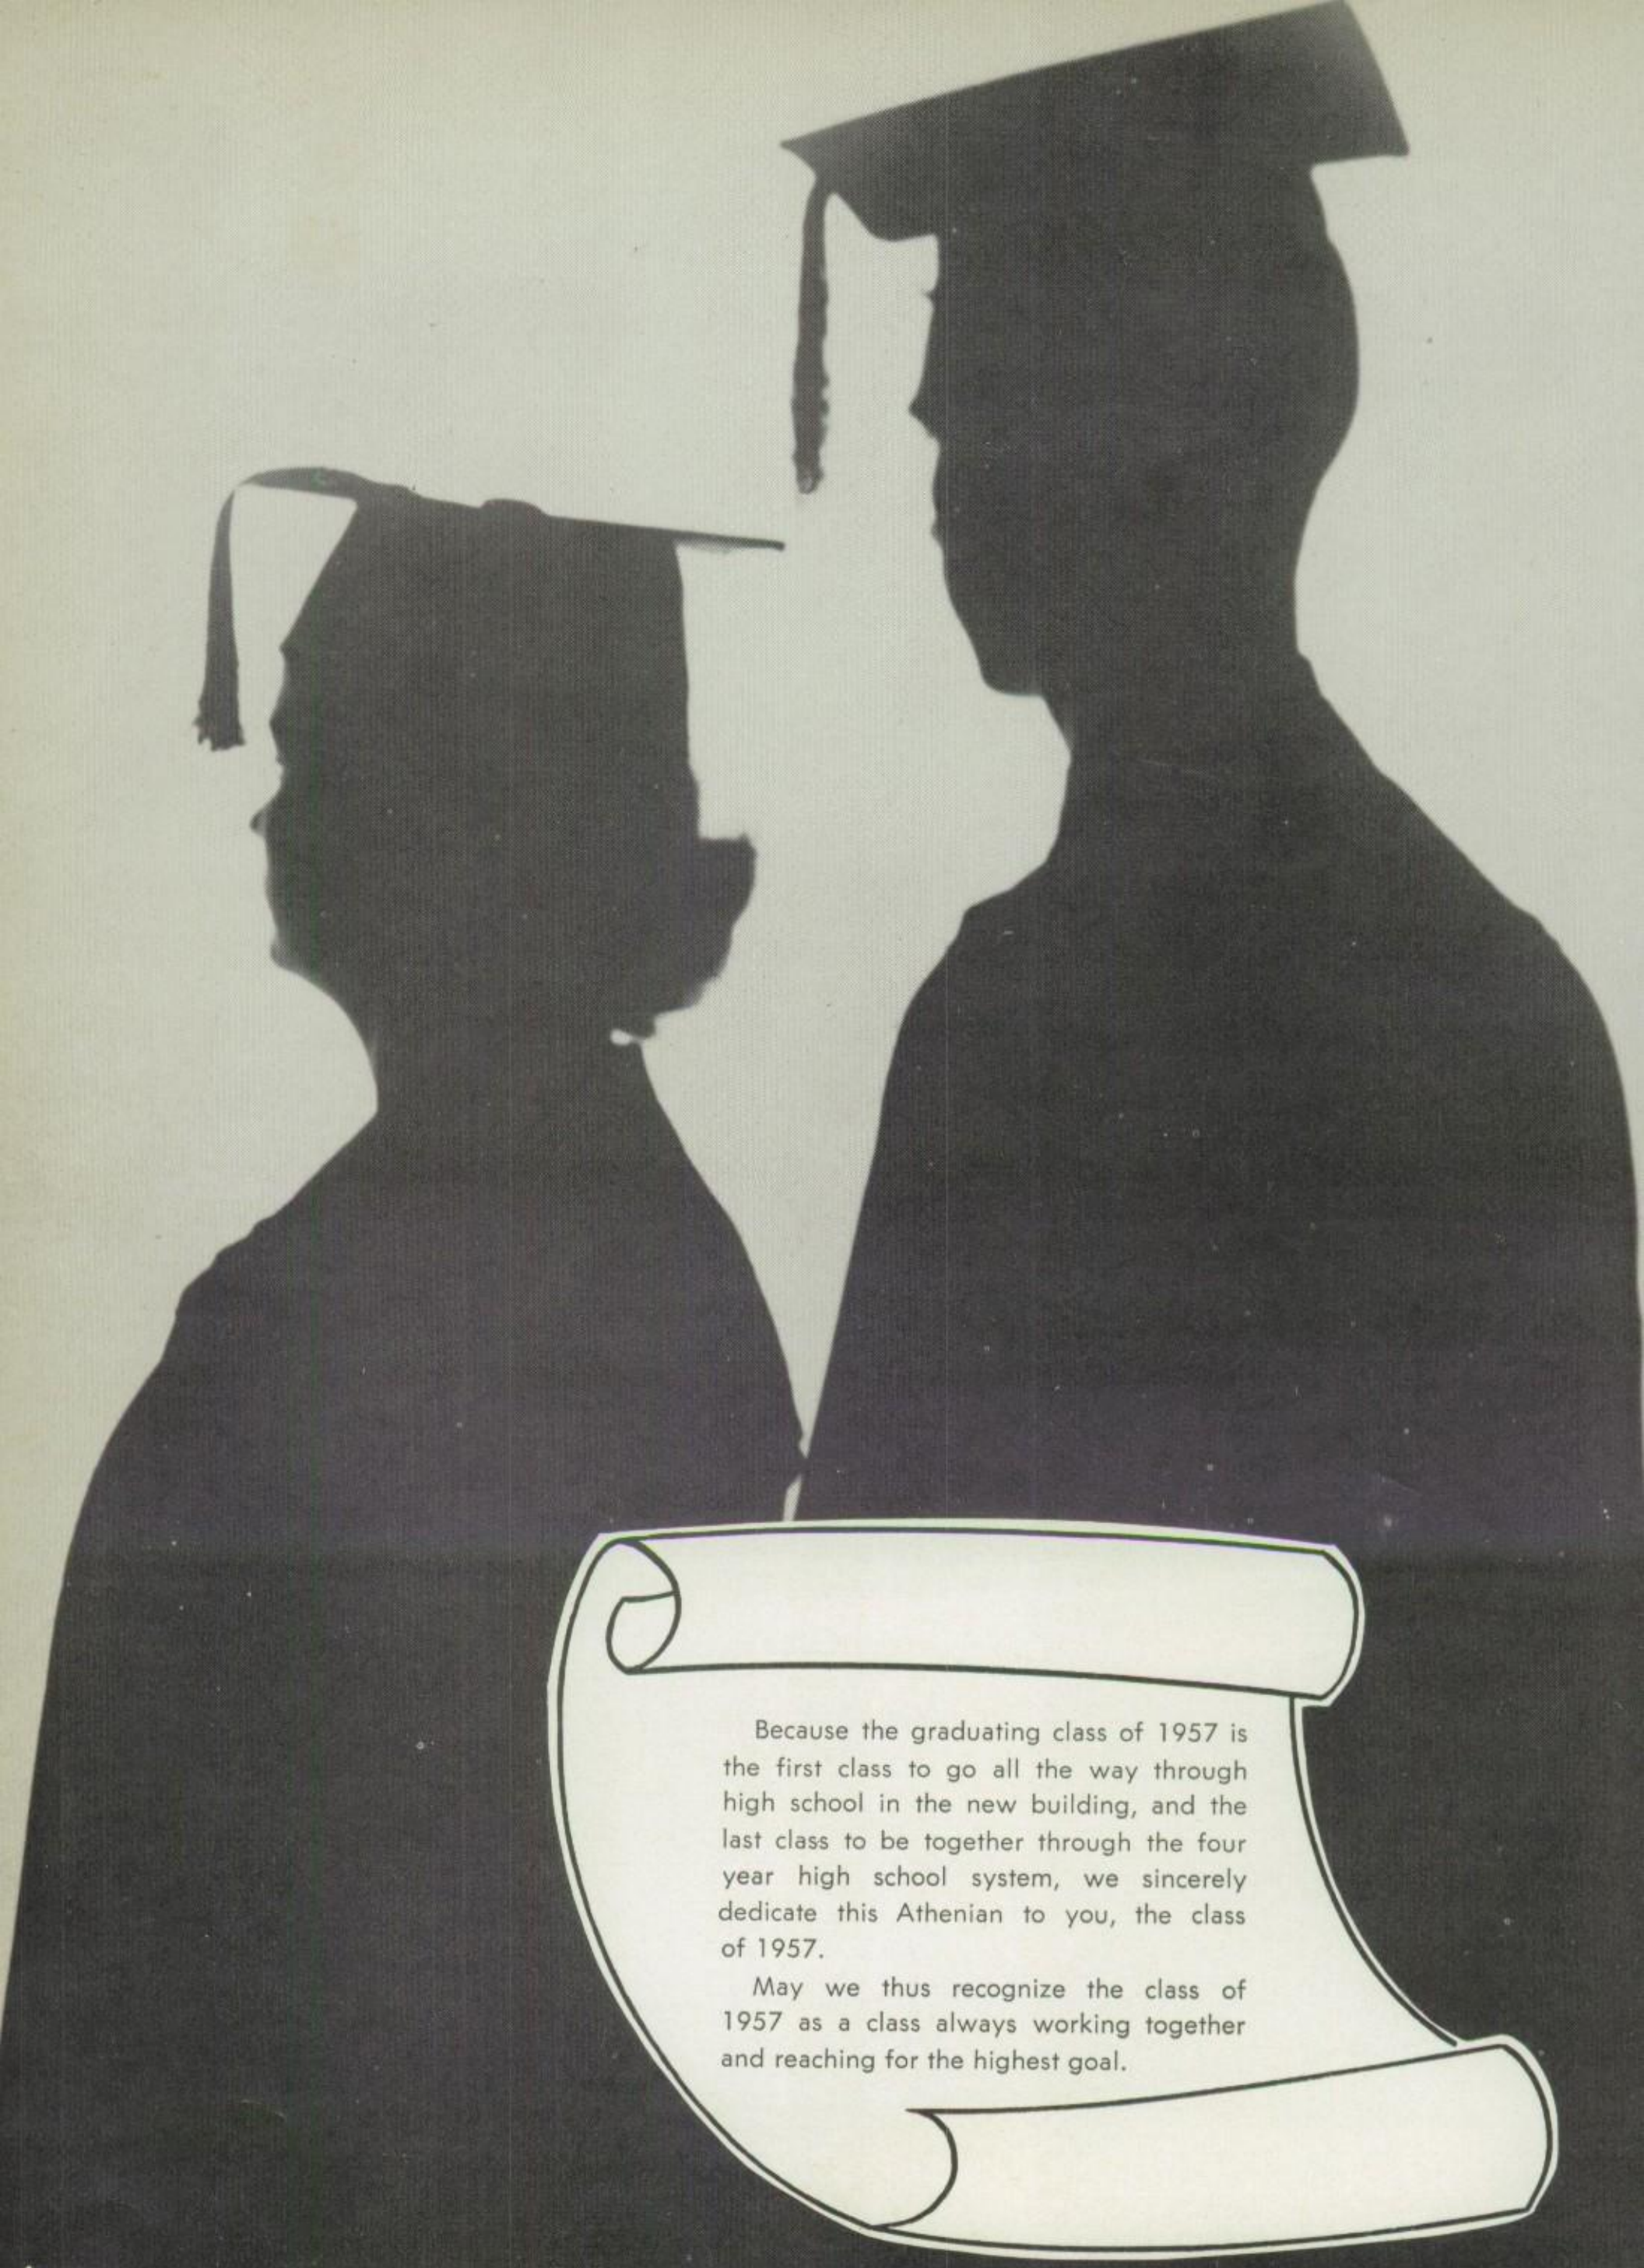


Bearcat Stadium



Pullen Auditorium





Because the graduating class of 1957 is the first class to go all the way through high school in the new building, and the last class to be together through the four year high school system, we sincerely dedicate this Athenian to you, the class of 1957.

May we thus recognize the class of 1957 as a class always working together and reaching for the highest goal.

Administration

We look to our administration for the time and effort they have exerted toward the betterment of our school as we look to the silver planes that fly in majesty over the horizon.

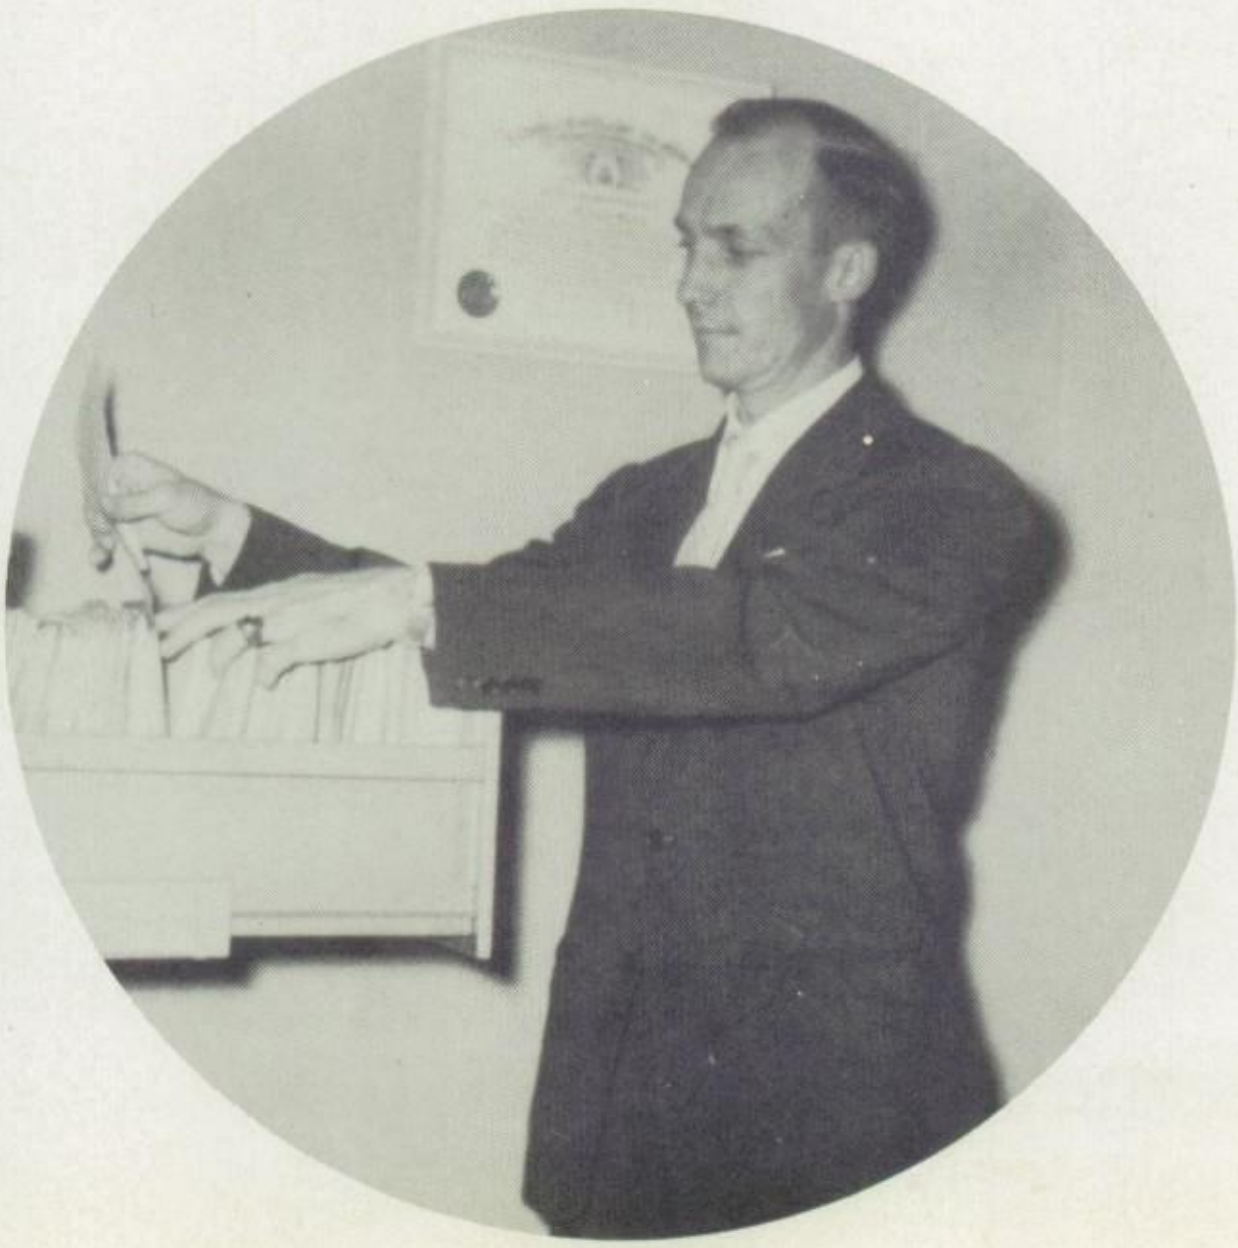
Byron Davis, our Superintendent, has proven his ability as a leader, his value as a counselor, his competence as an instructor, his intelligence as a speaker, his worth as a friend of every student of Sherman High School, his strict belief for right principles and fair play and in short, his invaluable service as the guiding factor of the Sherman school system.

BYRON DAVIS
Superintendent

Mr. Sory, who has led and guided us over the rugged paths of our high school years. He has been the builder in our minds of high ideals and has imparted to us a certain strength that we may go forward into life with courage and faith.

He has given his untiring efforts to the advancement of our school and has endeared himself to us all.

So to Mr. Sory from the students of Sherman Senior High—Thank you.



HENRY SORY
Principal

Standing: Dr. W. B. Mize, Mr. Warner Evans, Mr. Harold Skaggs, Mr. J. Frank Chase, Vice President. Seated: Mrs. R. B. Reid, Mr. Stanly Roberts, Jr., President, Mrs. Wray Wible.

The Board of education has proved to be an important factor in the Sherman High School system. Not only have they helped us make important decisons from time to time but they have helped us move forward in our school activities and the welfare of all the schools in our city.

We will certainly miss Mrs. E. M. Deck who is moving to Dallas. She has been an excellent member of the board and with her help many plans and ideals have come into being.

(Dave for Mary Warner)

Dearest Jim,

I can't begin to ~~right~~ write all the things I would like to say. For one reason I wouldn't know exactly how to put them down.

I can't say that I have known you for a long time because I haven't but in the time I have known you, it has been wonderful and a lot of fun.

I know in the next few months we are going to be going through a lot of trials while you are at A+M and I am in Dallas but I also am sure that everything will come out all right.

We have had a few ups and downs and I can sincerely say that I hope they will never be any more serious than those.

I have really had a lot of fun with you and I hope that we always have fun together. Jim, I hope that all your dreams for the future come true. I know that you will make something of your life because you have the ability and you make friends so easily.

Jim, I can honestly say that I think more of you than any other person I know.

I have kidded around with you a lot but I have meant everything I have told you. Good luck next year and in future years at A & M. I really hope you like it down there. I am planning on seeing you quite a bit in the future, if you know what I mean.

All my love,
always,

Jim,
Well its almost over this + I will really be done for me. Thanks so much for all your help very best friends ever. Del never forget it. Well I hope you Aggies do well next year. Good luck at A + M. Luck to you + Mary. She's a great girl. God bless you too! Love always, Charles
